

**WE CAN** learn to make a

**CAREFUL APPROACH**

**When traveling to and from  
campgrounds, trailheads, and put-ins.**

# Careful Approach

**When traveling to and from your outdoor recreation destination:**

- Drive responsibly.
- Stay on designated roads that are open to public use.
- Secure permission of land owners before using any private roads.
- Park only when permitted and in designated areas.
- Keep all vehicles and trailers off vegetated surfaces.

# Careful Approach

**When driving off paved roads is necessary and permitted:**

- **Only use vehicles that are designed to safely handle the road bed without damaging it or the vehicle**
- **Avoid times when the road bed is too wet or muddy for the planned travel**
- **Go over obstacles and through mud holes to avoid widening the road bed**
- **Know the depth of stream beds and standing water before attempting a crossing.**
- **Always drive slow and steady through hazards to maintain control.**
