

WE CAN embrace a
LAND ETHIC

**An ethic dealing with our relationship
to the land and to the animals and
plants that grow upon it.**

"When we see land as a community to which we belong, we may begin to use it with love and respect"

Aldo Leopold

“A thing is right when it tends to preserve the integrity, stability, and beauty of the biotic community. It is wrong when it tends otherwise.”

Aldo Leopold

**“The land ethic simply enlarges the
boundaries of the community to
include...
the land”**

Aldo Leopold
