BSA LEAVE NO TRACE MASTER EDUCATOR COURSE

AUGUST 24-29TH, 2017

Learn, Apply and Teach the 7 Principles of Leave No Trace for trek planning, high adventures and weekend camping.

Find out the science behind travel impacts and mitigation strategies. Share scout outdoor programs and methods used to reduce impacts.

Join us August 24th for a fantastic learning and adventure experience!

WHY COME?

Take in the beauty of nature as you share your outdoor passion and prepare to take the 7 Principles of Leave No Trace to your home unit or council. Includes ideas for bringing LNT to your cubscouts too!

This is a front country non trek course with two days focused on weekend camping issues and then 3 days on backcountry camping.

Activities include: explore the bog, day hike the Ice Age trail and demystify dispersed camping. Possible overnight backpacking, if group is suitable.
