

**Leave No Trace
For Every Kid™**

Motivation

Leave No Trace best taught in the context of the outdoors.

Examining stewardship and outdoor ethics beyond the bullet points of the seven principles.

The most robust youth curriculum initiative to date.

Approach

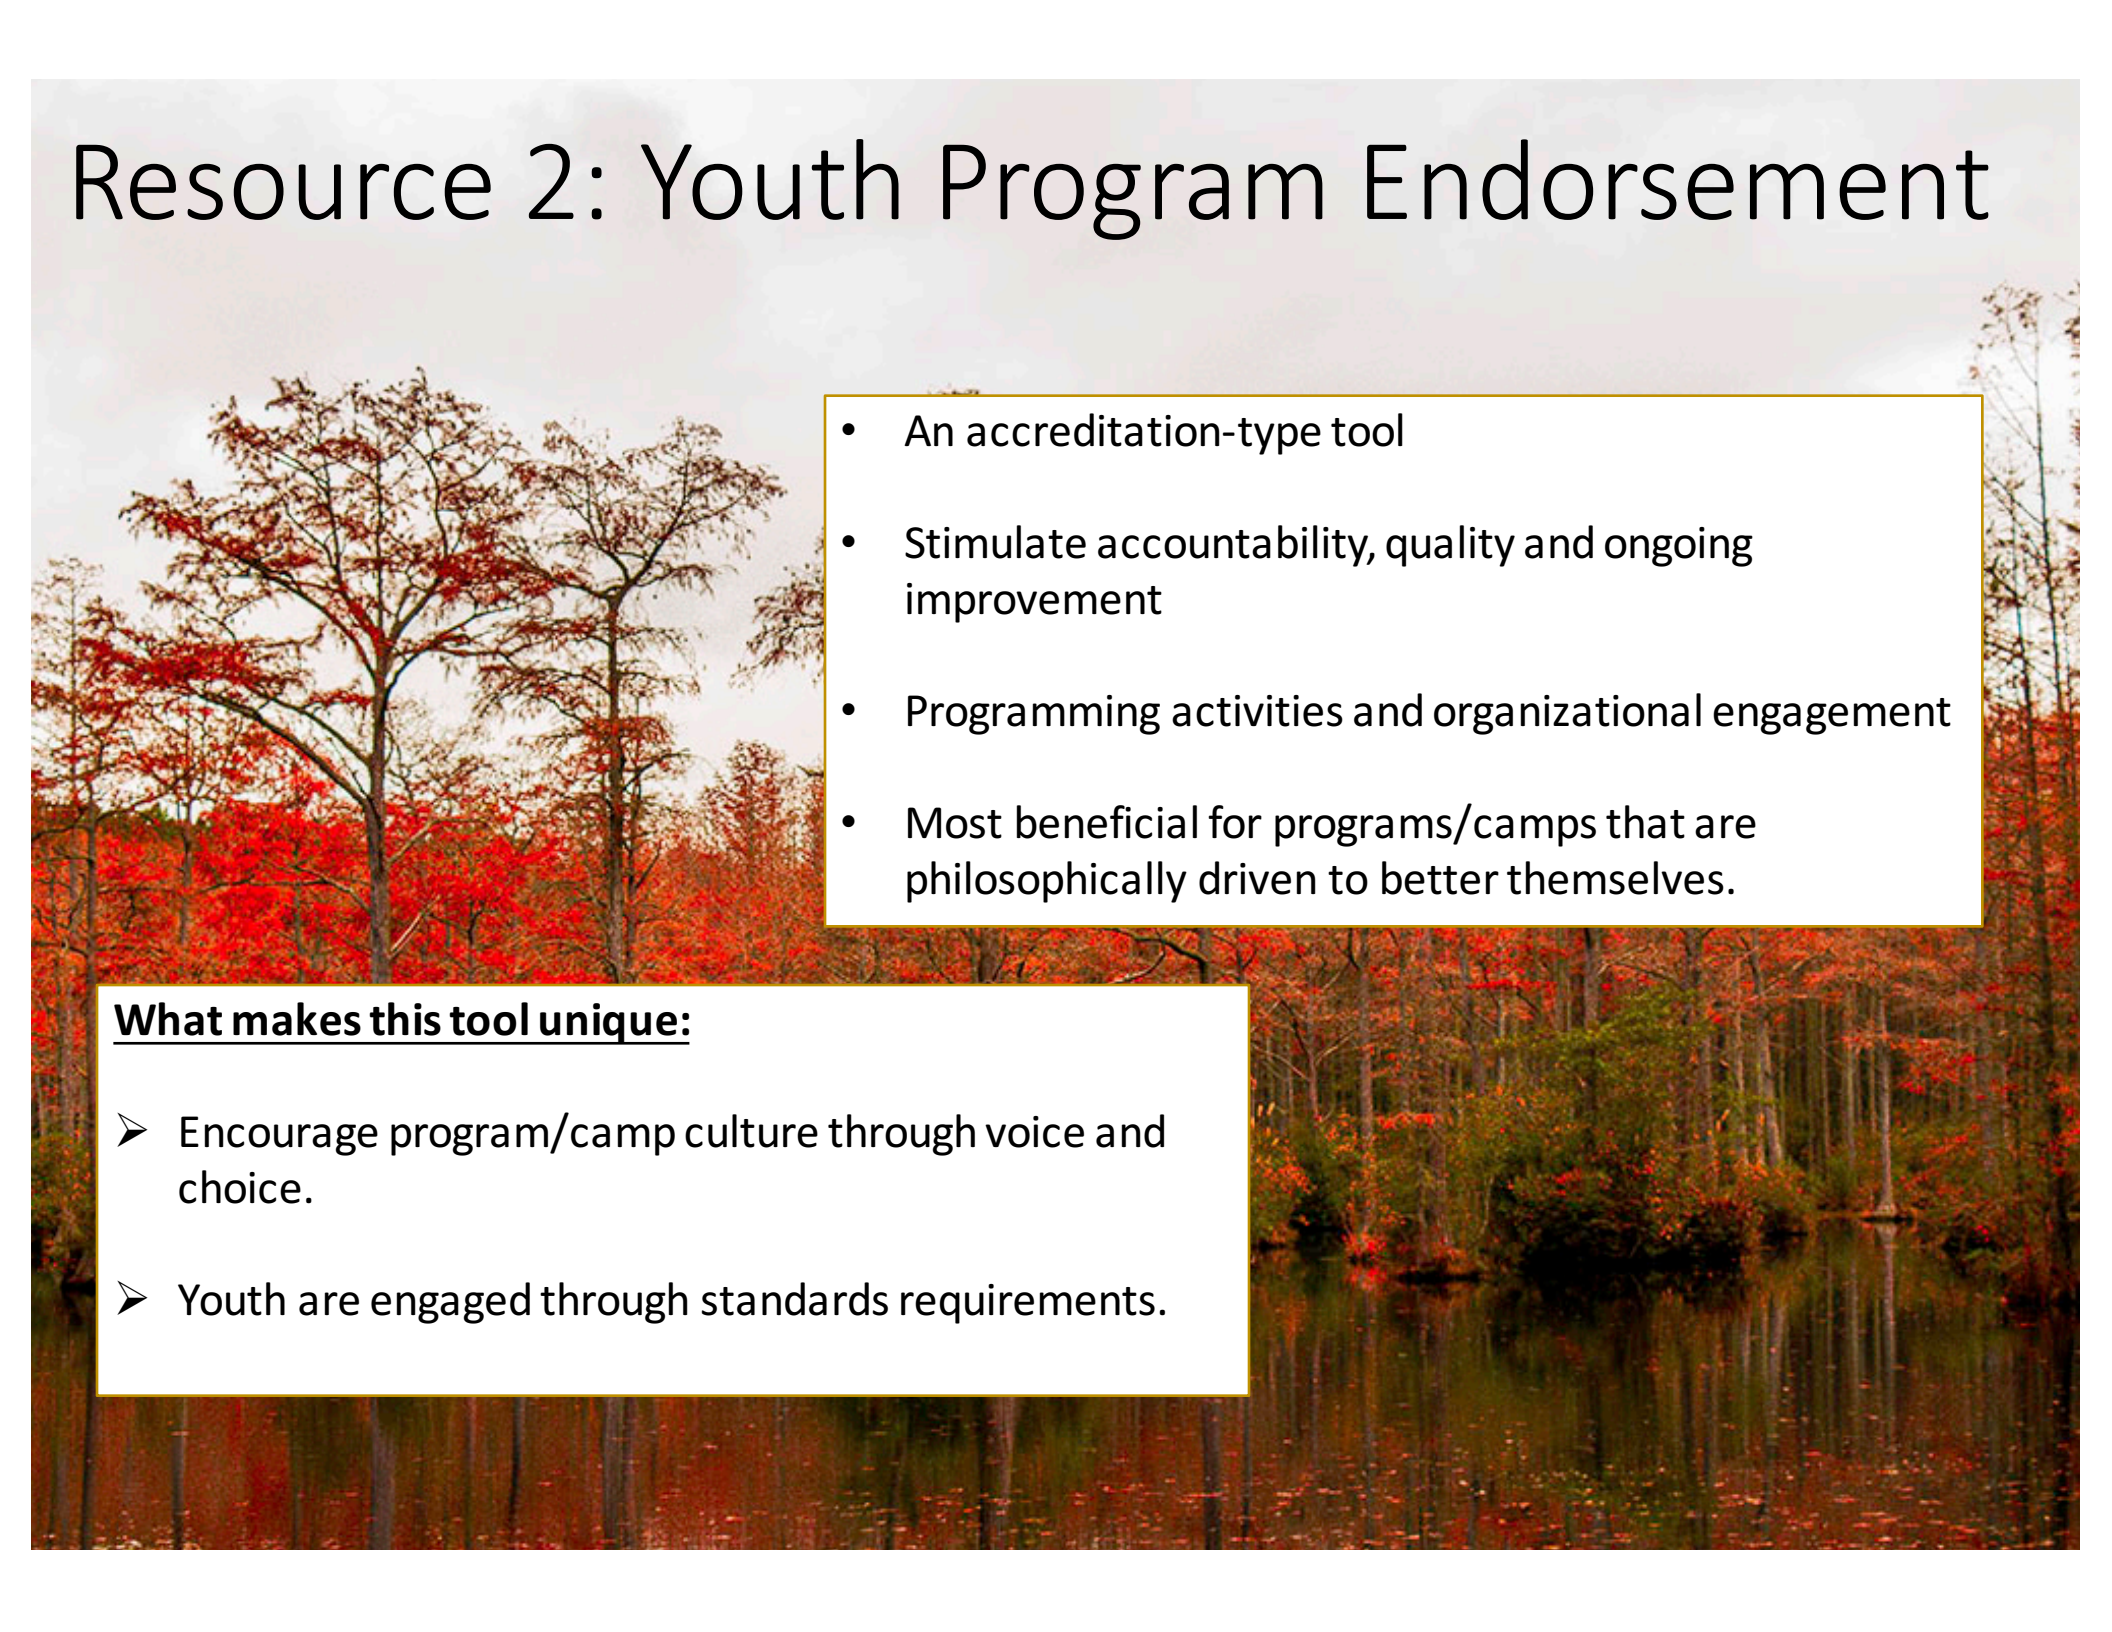

- Experiential Education
- Program Accreditation
- K-8 Core Curriculum
- Independent Practice
- Skill Mastery

Resource 1: Experiential Activities

- Ages 7 – 12
- Curriculum activity booklet
- Administration Resources - onboarding, staff training, etc.
- Online staff training tool
- Pilot tested in 20 camps this past summer

Resource 2: Youth Program Endorsement

- An accreditation-type tool
- Stimulate accountability, quality and ongoing improvement
- Programming activities and organizational engagement
- Most beneficial for programs/camps that are philosophically driven to better themselves.

What makes this tool unique:

- Encourage program/camp culture through voice and choice.
- Youth are engaged through standards requirements.
